Continuing Education Available!

Low-cost continuing education is available for nurses, social workers, case managers, funeral directors, clergy, and others! Please verify CE availability at your local site and your professional or state board approval.

There is a \$25 online processing fee per certificate, per participant. Online CE instructions will be provided to you on March 24. **The processing fee through the mail with HFA is \$35.** Checks, written out to HFA, will be collected on the day of the broadcast. There is a \$10 charge per participant for each additional certificate requested.

HFA's 2010 teleconference, *Cancer and End-of-Life Care*, will address care options related to cancer diagnoses as well as loss and grief reactions for patients, families and professional caregivers. The teleconference will also examine psychosocial aspects of cancer, pain management, and ethical issues related to the disease.

***Local panel at end of teleconference to include healthcare professionals, family members and volunteers with experience in Cancer and End-of-Life Care
